Our sincere thanks to 317 Main Community Music Center for Family Music Workshops

Kids Who Pick

We are excited to share our NEW "Kids Who Pick" program! Open to kids 9-18 of varied skills. Participants should have their own instrument and have at least basic rhythm skills and can play to tempo. 317 Main Community Music Center teaching artist Carter Logan, joined by his daughter, fiddler and vocalist Sarah Jeanne Logan will offer 4 days of workshops (times to be announced) to create an ensemble to perform on stage Sunday of the Festival. Participants should be able to attend at least 3 out of 4 days to perform. Aspiring Bluegrass vocalists who do not play are welcome to register as well. Please send questions to bluegrass@thomaspoinbeach.com or send in the registration form above.
