Forty Years ago, in 1979, my mother took a gamble. She saw love, happiness, and community in a music she knew little about at the time, and she decided "I want that here, these are our people." She saw beauty in the harmonies, the duets, she saw unbridled talent and craftsmanship in the duets and solos alike. And she saw family in the community.

I don't know if she knew what would become of that first festival. I didn't have the pleasure of being around the first time Bluegrass music played on that old bandstand. I wasn't lucky enough to see the look on my mother's face when, one by one, Bill Clifton, Bob & Grace French, Fred Pike, John Win, the Kennebec Valley Boys, Morse Brothers, Prindall Family, Red Rector, Smokey Greene, and White Mountain Bluegrass, took to our stage and started this tradition. Or the excitement in her eyes the first time Bill Monroe, or Del McCoury approached that mic.

Did she know the magnitude of what she had done? How it would affect everyone it touched? The tradition, joy, and memories that would all result in that leap of faith she took in 1979? I don't know. But I know that since that day, she was proud and honored to welcome all of you back, year after year. To watch your families, and our Bluegrass family grow.

Thank you all for being a part of our Bluegrass Family for 40 years. Thank you for the laughter, the stories, the helping hands, support, and most of all, the music that inspires and guides us.

*- Mike, Jen, Shari, and the Thomas Point Family!
Supporting Bluegrass in Maine for another generation*

Very Special Thanks

It is important to us to give a very special thanks to our seasonal staff and support crew here at Thomas Point Beach. Many festival folks don't realize that Thomas Point Beach is a fully functional park and campground from May to October.

Thank you so much to **Ray York**, for keeping the park beautiful and healthy, we couldn't do it without you! *Ray started here in 1999 and this year celebrates his 20th Anniversary!* Please

be sure to thank him for all he does all season long to keep TPB a beauty! *Thank you also to Jared, Bronwyn, Ana, Emma, Ali, Darlean, Loren, Caleb, Roger and Rufus for your customer service and dedication to our park and campground.*

COVID 19 Statement

As we write this statement with a few weeks left to go before the gates open, we know even this could all change between now and tomorrow. If we have learned anything this year +, it is that flexibility and patience is required at every turn.

The most important thing we ask of you all is for tolerance and kindness towards one another.

As a fully outdoor festival, we are proceeding with caution. There are currently (as of print date) no state or federal capacity restrictions or mandates regarding this event. We encourage our patrons to be respectful of each others personal space and choices. Should you choose to wear a mask, please do. We do ask those who are unvaccinated to wear a mask in the two indoor areas on property (the restrooms and the Main Lodge) and the CDC now recommends vaccinated people do the same if they are unable to maintain a safe distance. Please wash your hands often and thoroughly and take advantage of hand sanitizer.

An inherent risk of exposure to COVID-19 exists in any public place where people are present. By visiting our venue, you assume all risks related to exposure to COVID-19. If you develop a fever, cough, sore throat, new loss of taste or smell, difficulty breathing or headache or diarrhea with any of these symptoms, please isolate immediately and visit a testing center. Testing is available at Walgreens Drive Thru in Topsham and Bath or Convenient MD Urgent Care right across from Cumberland Farms. (<https://convenientmd.com/covid-19-testing/>)

We will be limiting workshops to the seats available in the tented area. Some of our Family Activities will require pre-registration in order to limit numbers.

Please give our performers extra space this year. Understand if they choose to not be as forward facing as usual. The backstage areas will be off limits to guests. They need to be healthy to perform and continue to tour. We have not booked any bands for Caboose Jams for this reason this year.

Although we ask that folks still share unoccupied chairs, if you are uncomfortable with this, please take your chairs with you when you come and go to make space for others to fill-in.

Stay healthy and hopeful. We appreciate your cooperation.

Please Bear with Us...

Many hands make light work, and we have been having a hard time finding enough hands! It has been a crazy year, and like many businesses, Thomas Point Beach and Campground, and the TPB Bluegrass Festival, have struggled to find staff to fill the many, many roles needed to keep a venue and event functioning at full force. If some things are missing, or aren't running as smoothly as usual, please bear with us and remember: the entire world is short staffed right now, so *please be kind to those who showed up!*

Where the Music Meets the Sea! 7

Our Mighty Fine Emcees

Cecil Abels II follows in a long-standing tradition of Southerners who came "Up North" and never left and he brings his Mississippi accent and southern charm to the TPB stage. He arrived at TPB in 1990, after the Navy moved him to the Brunswick Naval Air Station. He fell so in love with the musical family here that he credits the festival with influencing his Naval retirement to NE in 1997. His band *The Bogus Family* won the 1994 Showcase Competition. Cecil can be found camping-jamming with the *Manic Mountain Boys* and *The New England Bluegrass Band* at almost anytime night or day! And there is nothing "bogus" about that!

"Country Man Dan" Henderson comes out of the woods of Newfoundland about this time every year just in time for the TPB Fest. Although at other times of the year he may be found in NY, Maui, or anywhere he can be playing music and entertaining with friends. He has been attending TPB since 1993 and has played the festival several times over the years. He is best known and loved for his song-writing, honky-tonk music style, artwork, gourmet cooking, big heart, and great taste in wine and women!

Bruce Joy fell into Bluegrass in the late 70's, upon buying a car with a cassette tape left in it. He played the tape, and the music, which was unknown to him at the time, simply resonated with him. Fast forward to the early 80's, while serving in the Navy in South Carolina, Bruce attended a festival where Bill Monroe was the headliner, and, it all came together, it was that same cassette music! Bruce now plays banjo and has performed with bands in MA and even teamed up with others to hold Bluegrass on the Bogsand The Mass Bluegrass Jamboree . Bruce and his wife have been attending the TPB festival for over 30 years. Bruce currently airs a Bluegrass segment for a radio show at WCUW, 91.3 FM out of Worcester, MA., every other Monday from 7-9pm!

"Mama Beth" Revels is a charter member and President of the Bluegrass Music Association of Maine. She is an accomplished multi-instrumentalist and vocalist and was a member of "Windy Ridge" for over 20 years. Windy Ridge, the band made up of U.S. Veterans (Mama Beth - Navy), earned first place Gold Medals at the National Veterans Creative Arts Festival in 2014, '15, '16 & '18 performing in Milwaukee, Durham, NC and Jackson, MS. She host's WBOR'S "Mama's Mid-coast Bluegrass"-a show that features Maine Bluegrass over the past 12 years. She can be found playing gigs and jams and surrounded by friends at the "Pickin' Patch" in her own backyard. She is welcoming to musicians of all skill levels and will be leading some guided jams at our own Jam tent this weekend!

Mike Armistead Growing up in the Nashville country and bluegrass scene, Mike is steeped in the music and surrounded by friends. It is easier to ask him who doesn't know in the industry than who he does! He not only plays and sings with *The Tennessee Mafia Jug Band*, he has built guitars at Gibson, advised CF Martin on the design of the Lester Flatt commemorative and the Del McCoury models, and is a country music historian with a tremendous audio/visual collection. He is also known for his custom designed show posters in the old time style of block printing and screaming colors. When not playing music, Mike is a hometown hero as Special Operations Captain for the Nashville Fire Department.

SHOWCASE BAND COMPETITION

Showcase bands apply for entry and are then selected by a panel to compete on stage. Their spots in the line-up are randomly selected. Be sure to take a listen to these talented musicians!! This year's bands were selected in 2021) and have been waiting ever since to perform for YOU!

Chickenshack Bluegrass Band is a dynamic bluegrass band with influences from classic rock, country and beyond. With five lead singers and some high-octane harmonies, each song is entertaining and different from the song before it. Chickenshack has enjoyed performing at music festivals and fairs around New England, including The Joe Val Bluegrass Festival (Framingham, MA), Nippo Lake Bluegrass Series (Barrington, NH), Market Square Day (Portsmouth, NH), Deerfield Fair (Deerfield, NH), PlumFest (Plum Island, MA) and the NH Sunflower Festival (Lee, NH). ([facebook.com/ChickenshackBluegrass](https://www.facebook.com/ChickenshackBluegrass))

Eugene Tyler Band are just three mama's boys with anxiety problems trying to find catharsis in high-energy, irreverent songs. Eugene Gardner (vocals/guitar/mandolin), Daniel Tyler (guitar/banjo), and Marc Jaffee (upright bass/vocals) all grew up within a couple of miles of each other in downstate New York, and since 2015 they've been on the road, performing at landmark clubs like Sony Hall and the Knitting Factory and bluegrass festivals like Ossipee Valley and Thomas Point Beach, building a dedicated fanbase stretching from Colorado to Maine. ([eugenetylerband.com](https://www.eugenetylerband.com))

Stoneface Mountain is made up of a young band of teens ages 14 through 17 from the Boston area who share a common love of music. Their hard-driving classic bluegrass sound is influenced by great legends such as Flatt and Scruggs, Ricky Skaggs, and Bill Monroe. Audrey Mendenhall astounds the crowds with her Monroe style picking on mandolin and fiddle. Her sister, Megan is lightning fast on her banjo. Ellie Strano is the powerful lead singer while her sister, Mary shreds the ukulele. Jack Bram is a talented flat picker on guitar and Tommy van der Laan keeps the band on tempo with his impressive bass playing. They are the future generation of bluegrass players preserving traditional music. ([facebook.com/stonefacemountain](https://www.facebook.com/stonefacemountain)) ([instagram.com/stonefacemountain/](https://www.instagram.com/stonefacemountain/))

The Splinters, a bluegrass and old-time string band from Massachusetts, deliver a relentless groove to accompany their tight 3-part harmonies. Anne Rouillard (fiddle) brings the heat to her old-time influenced fiddle playing. J Johnson (mandolin) adds a jazzy flair to his breaks. Chris Reckling (guitar, banjo) picks solid rhythm and punchy leads on top of Garrett Wallace's grooving bass fiddle. A Splinters set veers from straight ahead bluegrass to traditional fiddle tunes and back, with the occasional detour into a modern song. They released their first album as a quartet, "Grey Owl", at the Thomas Point Beach Bluegrass Festival. ([splintersmusic.com](https://www.splintersmusic.com))

Miners Creek has been making music in Midcoast Maine since 2013. With rich vocal harmonies, driving rhythm and a whole lot of humor, Miners Creek put a modern spin on Bluegrass, fusing traditional Bluegrass with pop, rock, jazz, folk, Latin, Appalachian, gospel and blues. It's current lineup is Emma Theobalds on vocals and guitar, Resa Randolph on vocals and mandolin, Whitney Randolph on banjo, Luke Fatora on fiddle and Zack Bence on bass. HIGH FIDELITY

highfidelitybluegrass.com

Many folks remember the great bluegrass records from the 1950s and '60s. The power and soul of that music has won the hearts of people across the globe. Few bands have come along in recent years that draw their influence from that classic era of the music's history. High Fidelity is a rising group whose love and devotion to that music is unsurpassed. Nominated for the 2021 IBMA New Artist of the Year, we are thrilled to welcome them to TPB for their first visit!

MICHAEL CLEVELAND & FLAMEKEEPER

flamekeeperband.com

The world tends to look at accomplishments in the form of accolades and although only in his mid-30's, Michael Cleveland, 2020 GRAMMY WINNER, a Two-Time GRAMMY Nominee (2018 & 2020), has plenty to his credit. After picking up the fiddle at age 4, Michael's musical momentum began to propel him forward towards early success. In 2006, Michael formed his own band and he found the right vehicle for his musical vision, and he hasn't rested since, constantly looking for new ways to push himself and his music forward.

WILLIAMSON BRANCH

williamsonbranch.com

When it comes to music, there's a closeness among family member that cannot be overstated. Harmonies are sweeter, rhythms are tighter, and emotions are heightened. For Williamson Branch, music and family have been melding for three generations. This deep-rooted approach to music helped propel their single, Blue Moon Over Texas, to the #1 spot on the RMR Bluegrass Chart for 7 weeks and garnered Melody the IBMA Momentum Vocalist of the Year for 2020. We think you'll agree, this band is on your "must see" music list!

Comprised of both well-respected veterans and some of the finest young musicians in bluegrass, the band is one of the hottest and most energetic bands touring today! Lead by Alan Bibey, IBMA Mandolinist of the year, the band won IBMA Gospel Song of the Year for 2020, and we look forward to hearing their sweet, soulful sound for two days! We are also proud to welcome guitarist, BBU Vice President and a friend of TPB, Tony Watt to the stage with the band.

JOE MULLINS & the RADIO RAMBLERS

radioramblers.com

They are true industry and fan favorites, having garnered 8 IBMA awards, including 2019 Entertainers of the Year. Lead by banjo-playing bluegrass veteran Mullins, the band includes a plethora of instrumental & vocal talent. They have gained a reputation as a band who always chooses great songs for their projects, and they have exceeded that reputation delivering another collection of well-written songs with rich vocals in their 2021 album "Jerusalem Calling."

The GIBSON BROTHERS

gibsonbrothers.com

Eric & Leigh bring their special blend of brother harmonies to TPB for the 18th time since they first took our stage in 1995. *Is it even a TPB Fest without them?* The brothers, along with the "other" brother, Mike Barber never disappoint the crowd. Their stage banter, instrumental virtuosity, soulful ballads, and songwriting genius combine to make every show one to remember.

The SAM BUSH BAND

sambush.com

There is only one consensus pick of peers and predecessors, of the traditionalists, the rebels, and the next gen devotees. Music's ultimate inside outsider. Or is it outside insider? There is only one Sam Bush. Inducted into the Bluegrass Hall of Fame in 2020, Sam Bush has secured his place as a legend! We are thrilled to welcome him and the band to our stage for the very first time!

On Sunday, August 8, Pati Crooker Mulligan was inducted into the Maine Country Music Hall of Fame for her contributions as a promoter of Bluegrass music here in Maine. Michael Mulligan attended to accept the award. We are grateful for this honor presented

The BECKY BULLER BAND

beckybuller.com

Becky Buller is 2-time Grammy award-winning songwriter and an 8-time IBMA award winner who made bluegrass music history in 2016 by becoming the first artist ever to win in both instrumental and vocal categories, as well as the first female to win Fiddle Player Of The Year. Her songs, recorded by some of the industry's best, preceded the her own prominence as an artist in the acoustic music world. Now with the rest of her talented band, they make up one of the most talented and exciting voices in bluegrass music today.

TENNESSEE MAFIA JUG BAND

It wouldn't be Sunday night at the Thomas Point Beach Bluegrass Festival without Leroy Troy and the Tennessee Mafia Jug Band! Year after year, our hard-working crew requests these fine gentlemen close out the show with a laughter-filled, rip-roaring good time, and we couldn't agree more that they are the best send-off to a fun-filled festival!

PO' RAMBLIN BOYS

theporamblinboys.com

In our busy and distracted world, there's something about the music of the Po' Ramblin' Boys that cuts straight forward with authenticity and honesty. Just as at home fixing the tour bus as riding in it, PBR have brought their music from rural festival stages to the rock clubs of Europe, and even the GRAMMY red carpet, earning the title Emerging Artist of the Year at the 2018 IBMA awards. The "Boys" are well on their way to becoming the quintessential bluegrass band of their generation.

DEL McCOURY BAND

delmccouryband.com

One thing will always be true, Del is always welcome at TPB! Even among the pantheon of music's finest artists, Del McCoury stands alone. Playing here for the first time in 1981, this performance makes his 18th time here! It is no surprise that the Del McCoury Band is the most awarded Bluegrass Band in history. With but a single change in membership in twenty seven years, The Del McCoury Band shows unprecedented stability as well as garnering the respect and admiration of the industry for its unmistakable work A Sunday night Del Set at Thomas Point Beach is quite simply— HEAVEN!
